Some of the greatest voices of the 20th century come together on the very special compilation **Super Estrellas Del Amor**.

International superstar *Demis Roussos* has had an amazing career starting with his time as the lead vocalist for the super group Aphrodite's Child with Vangelis. His love songs have been heard by millions and **Super Estrellas Del Amor** includes his very best with his worldwide hits "Por Siempre Y Para Siempre (Forever And Ever)", "Quisiera Bailar Esta Cancion (Happy To Be On An Island)" and many more.

Shirley Bassey has had a long and magical career. Her singles "Goldfinger" and "Diamonds Are Forever", themes from the James Bond films were huge, worldwide hits. Both appear along with a special performance of the Beatles classic "Hey Jude" and more on the DVD. **Super Estrellas Del Amor** also showcases her ambitious and very successful foray into Spanish singing and includes the timeless hit "La Pasion Que Nos Devora" among others.

Matt Monro was a highly acclaimed vocalist, often compared to Frank Sinatra for his cool, swingling singing style. Legendary Beatles producer George Martin, who worked with *Monro* at the height of career, said he was "a singer's singer, a musician's singer". **Super Estrellas Del Amor** captures some of *Matt Monro's* finest moments including the Spanish version of his classic hit "Un Cuadro De Mi Amor (Portrait Of My Love)".

Super Estrellas Del Amor a timeless collection of hits in the universal language of love.
